BROOKLYN OFFICE

The Honorable Judge Chen
U.S. District Court Judge
Eastern District of New York

Dear Judge Chen,

I am writing this in support of Michael Grimm, whom I have known personally for many years. He is a fine young man who made a thoughtless mistake, and like the honorable person he is, has accepted responsibility for it.

When considering his future, I hope you will remember his past career. He has been a much respected Congressman, and a decorated Marine.

As a United States Marine Corp wife, I feel his Marine Corps experience should qualify him for careful

consideration in this matter. My experience with the Marine Corps members is considerable - my husband was a much decorated Marine in W.W.II - he was awarded the USMC highest honor - the Navy Cross - a silver star, a bronze star, and a Purple Heart. Those various honors are not given lightly. My next son fought in Iraq, and my grandson is a Marine turning into Special Forces.

Michael Grimm has dedicated his life, as many Marines do, & making a positive difference for our country. I hope when you consider his picture you will allow him to do so. He deserves a second chance.

Thank you for your consideration.

W. Reginald S. Moore
